good supply of ice this sesson. The opportunities for securing ice of great purity have never been better, and hundreds of houses have been stored with huge cakes perfectly translucent and free from snow. The public have come to the knowledge of the wast utility of this article in the treatment of Asiatic cholera, since imnumerable physicians have recommended, in the public prints fits use, and testified that the application of it use, and testified that the application of it use, and testified that the application of it use. First, the United States government the work of wreaking vengance on England. She will then be sunk lower than any nation in Europe. And no one will weep. [Langhter.] All will shout "housenns," rather. All will shout "housenns," rather. The hard of nation on the face of the earth, never more to return!" [Immense hooting.] I believe that 300,000 irismen, led by an irish General, fighting for liberty, for their homes, for their native land, would be invincible and gain all we wish.

But there are difficulties. He admitted them. First, the United States government would strike the Mahoning Road at a point use, and estimed that the application of it upon the spines of people in the last stages of the epidemic has proved successful in multitudes of instances. There can be no doubt that the cholers will be among us the coming summer, and it behoves every the successful and the last war. Second, we have no soil of our ewn, on which to maintain an army. There is an "Irish Republic," but it is coming summer, and it behoves every the successful and the s coming summer, and it behoves every betideal, without a local habitation, though not without a name. It is absolutely necessary, first of all, to possess ourselves of some place, some country, whereon to orect a government raise a flag, build ships, issue letters of marque, &c., &c. England as great in marine and naval power. She could sur-

plause. While the crowd are swinging their hats and emitting frantic, patent yells of welcome, we will inform the reader that President Roberts is a very fine looking gentleman, of good height and pleasing fig.

Charles E. Sargeant, late of the 163 Ohio is a mockery. Their effect passes, and the last is very volumineus, and it will go before the ways and frank or the first time who assest them is were than the first. Not such is the effect of HOSTETTER'S STOM.

ACH BITTER'S There is no drawback to their commanding positions. Nevertheless, he believes in Utopis, and draws largely on fascy. We give a brief synopsis of his speech:

After thanking them his fellow-country mem, for their kindness, he said that he and his friend, Gen, Sweeny, stood there not in any individual capacity, but as represents.

George Alfred Townsend. - The war and couriers. In our day came the war given to any person who can furnish a prethe one, a nation hung trembling on the message of the other.

D Class-Naunie Hopkins and Maggie L. M. Oviavi, Principal.

THE OPERA TO-NIGHT .- The popular opera of the "Doctor of Alcantara" will be presented for the third and, probably, last time this evening in the Academy of Music. We have spoken of the two preceding perform nces with a fullness which would make any additional words which we might say superfluous. We confidently expect that a large house will testify to-night, by their presence and demonstrations of applause, their appreciation not only of the manne in which this particular opera has been rendered, but of the ability of our home troupe

Finn.-The signal of fire was sounded vigorously at three o'clock yesterday after noon, on the discovery of fire breaking out back of the chimney in the frame house No 112 River street. The building is owned by Martin Barrett, and was injured to the amount of \$50. No insurance. The fire originated in a defective flue.

PAINESVILLE AND HIBAM RAILROAD .- The

miles. Now the project is revived of finish-ing the work to Chardon, with the view of continuing the road from Chardon to Hud-

will determine the question road to Chardon this year.

The following were the closing quotations at 4: The local money market works closer New York Central 7134; Eris 805; Rudson 101 Reading 985; Michigan Southern 805; Clevelen & Pittaleurgh 75%; Rock Island 98; North West ern 2756; do preferred 2856; Fort Wayne 9354. bankers generally complaining to-day of a 2:55 8:50 pinch in the currency line, by which some of them were forced to become borrower themselves. This pressure is not due to any activity in the discount demand, but as we have noted from day to day, a steady

pulling down of balances by depositors, unlower point than has been experienced for a very long period. The fact bears its own testimony to the stegnation of business. Meantime accommodations are becoming daily more limited, though at most very finds acceptance.

moderate, and only the most invoted paper finds acceptance.

The fact that scarcely anything in the way of merchandize is being sent forward accounts for a continued chose market for Eastern Exchange, and the market works tighter, the demand being steadily in excess of receipts. Hates remain steady at par buying and I-10 premium selling.

There was less activity in petroleum affairs but the market was decidedly firmer, especially or Bennehof Rim, Pithole Creek, and United States The pressure to sell has a stated and there is a much better feeling generally. action of Congress. The understanding that

the Ways and Means Committee will report against a fereign loan, gave more strength o gold, and the price advanced, touching 1402, and closing at 140. Governments are 157 quoted a shade off on gold bonds-old Fivetwentles being most affected-Seven-thirties ruling steady, but all heavy and dull. The most important changes are noted in railmost important changes are noted in railway securities, which exhibit increasing
weakness, and give way stendily under the
attong bear pressure. The market however
as reported to be large oversold on most of
the list, and a partial and temporary re-methe list, and a partial and temporary re-action may result from this cause. There is, however, a steadily diminishing confidence in Railway securities as an investment, and the argument is rather against an advance of prices, other than upon purely specula-

tive grounds. The operations in coin in this market are at present quite limited. Governments are also quiet. E. J. Farmer & Co., bankers, re port to-day's prices as follows: Buying. o'clock in the afternoon. Fr ends of the family

Five-twenties, (old) large... Five-twenties, (1864)... Five-twenties, (1865)....

Stocks continue weak and the market is strong Beariels, seller's options are still put out velargely. The market is probably at present misracily oversold than for some months past, present a canard was used vory successfully depressing Eric. It was amnounced that seve incussed shares of the stock had been returned the Java for caremptory sale. The result was the days for perceptory sale. The result was decline of 3% per cent at the first call, with subsequent recovery of % per cent. The report a pure invention and the fall of % 2 per cent chiefly due to it. change.

The following dispatches were

OUR MIDNIGHT MARKET EXPORT The Great Advertisement of MACKENZIE'S 10.000 RECEIPTS Special Dispatch to Western Associated Press. (For Family and Everybody's Use.) Railway speculation opened heavy this morning at the open beard and Eric broke down to 80%, which carried with it the whole market. At the Stock Exchange there was a slight recovery from the lowest point. The market, both at the second and last boards, was steady and dull. There was very little disposition to operate either way, and the volume of business was light. le Unavoidably Postponed till To-morrow OIL CITY STORAGE COMPANY.

(Successors to Punneck, Ball & Co.) STORAGE, FORWARDING AED COMMISSION MERCHANTS, ave unsurpassed facilities for, and pay ap-Storage and Shipment of Crude and Refined Petroleum. Refined Petroleum.
